AANA Journal

Volume 71
2003 *AANA Journal* Index

The following is an index of the major topics addressed in the* AANA Journal *during 2003. The index is alphabetized according to headings, and entries appear in chronological order within the headings. Author and subject indexes are integrated.

A

The AANA Foundation Closed Malpractice Claims Study on nerve injuries during anesthesia care, 347
AANA Journal Course No. 22 Examination Information—Update for nurse anesthetists, 143
AANA Journal Course No. 22 Examination—Update for nurse anesthetists (answer form), 144
AANA Journal Course No. 22 Examination—Update for nurse anesthetists (examination questions), 148
AANA Journal Course No. 22 Examination—Update for nurse anesthetists (examination answers), 305
AANA Journal Course No. 22–2003 Evaluation Form, 145
AANA Journal Course
Part 6—Cancer: New therapies and new approaches to recurring problems, 55; Part 1—Antiemetic prophylaxis: Pharmacology and therapeutics, 133; Part 2—Parkinson disease, 229; Part 3—Aspiration prophylaxis: Is it time for changes in our practice? 299; Part 4—Neuroleptic malignant syndrome, 389; Part 5— Epidural analgesia using loss of resistance with air versus saline: Does it make a difference? Should we reevaluate our practice? 449
Abiocor replacement heart
Anesthetic management for the placement of a fully implantable artificial replacement heart: a case report, 431
Accessing the living laboratory: Trigger films as an aid to developing, enabling, and assessing anesthesia clinical instructors, 287
Accreditation
Council on Accreditation of Nurse Anesthesia educational programs to be reviewed during fiscal year 2004, 65; What role should education standards play in the manpower shortage [guest editorial]? 100
Achwal M see State of the Science oral and poster sessions, Part 1, A4
Acupuncture and pain: A review of the literature, 361
Acute congestive heart failure after laparoscopic cholecystectomy: A case report, 17
Air
see *AANA Journal* Course, Part 5, 449
Airway management
Laryngeal mask anesthesia in children: A case report, 285
Airway tumors
see *AANA Journal* Course, Part 6, 55
Alcohol, inhaled isopropyl
Comparison of inhaled isopropyl alcohol and intravenous ondansetron for treatment of postoperative nausea, 127; see State of the Science oral and poster sessions, Part 1, A3
Allen J, Meincke K, Ramirez M, Watts R, Marienau M-S: A teaching tool in spinal anesthesia, 29
Alternative medicine
Acupuncture and pain: A review of the literature, 361
Amniotic fluid embolism
Anaphylactoid syndrome of pregnancy: A review of the literature with latest management and outcome data, 120
Analgesia
Management of postoperative pain after T6 corpectomy: Use of epidural bupivacaine and sufentanil—A case report, 212; Uterine rupture in a primigravid patient and anesthetic implications: A case report, 353; Late postpartum eclampsia coincident with postdural puncture headache: A case report, 371; see State of the Science oral and poster sessions, Part 1, A2; see State of the Science oral and poster sessions, Part 2, A26, A28; see *AANA Journal* Course, Part 5, 449
Anaphylactoid syndrome of pregnancy: A review of the literature with latest management and outcome data, 120
Anesthesia history
see Imagining in Time, 93; 183
Anesthesia providers
Surgical mortality and type of anesthesia provider, 109; see Legal Briefs, 177; Do nurse anesthetists demonstrate gender bias in treating pain? A national survey using a standardized pain model, 206; see Letters, 257; Variability in the American Society of Anesthesiologists Physical Status Classification scale, 265
Anesthesia risk
Surgical mortality and type of anesthesia provider, 109; see Letters, 257
Anesthesiologists
Surgical mortality and type of anesthesia provider, 109; see Letters, 257
Anesthetic depth
Awareness under general anesthesia, 373
Anesthetic implications of necrotizing fasciitis, 37
Anesthetic management for the placement of a fully implantable artificial replacement heart: A case report, 431
Anesthetics, volatile see State of the Science oral and poster sessions, Part 1, A16
Antiemetics
Comparison of inhaled isopropyl alcohol and intravenous ondansetron for treatment of postoperative nausea, 127; see *AANA Journal* Course, Part 1, 133; *AANA Journal* Course, Part 4, 389
Antinociception see State of the Science oral and poster sessions, Part 2, A22
Anxiety see State of the Science oral and poster sessions, Part 1, A15
Any willing provider statutes
see Legal Briefs, 259
Aron GL see Education News, 11
Aronson WL, McAuliffe MS, Miller K: Variability in the American Society of Anesthesiologists Physical Status Classification scale, 265
Arterial line
Hand ischemia associated with profound hypotension and radial artery catheterization in a pediatric patient: A case report, 41
Arterial oxygenation
The use of simulation to demonstrate hemodynamic response to varying degrees of intrapulmonary shunt, 277
Arterial pressure see State of the Science oral and poster sessions, Part 1, A7

Arthritic pain
Acupuncture and pain: A review of the literature, 361
Artificial heart
Anesthetic management for the placement of a fully implantable artificial replacement heart: A case report, 431
ASA physical status
Variability in the American Society of Anesthesiologists Physical Status Classification scale, 265
Aspiration
see *AANA Journal* Course, Part 3, 299; A comparison of endotracheal tube cuff pressures using estimation techniques and direct intracuff measurement, 443
Assessment
Variability in the American Society of Anesthesiologists Physical Status Classification scale, 265
A theory of inhaled anesthetic action by disruption of ligand diffusion chreodes, 422
Atkins JM see State of the Science oral and poster sessions, Part 2, A21
Attitudes see State of the Science oral and poster sessions, Part 2, A18
Attorneys
see Legal Briefs, 177
Attrition
see Education News, 11
Awareness under general anesthesia, 373

B

Back pain
Acupuncture and pain: A review of the literature, 361
Bailon JM see State of the Science oral and poster sessions, Part 1, A9
Ball R see State of the Science oral and poster sessions, Part 2, A20
Barba AJ see State of the Science oral and poster sessions, Part 2, A29
Barber DA, Hobbs C, Thielmeier K: Anesthetic management for the placement of a fully implantable artificial replacement heart: A case report, 431
Bariatric surgery
The frequency of respiratory failure in patients with morbid obesity undergoing gastric bypass, 45
Barnes Hospital School of Anesthesia
see Imagining in Time, 93; 183
Beeson J see State of the Science oral and poster sessions, Part 2, A33
Belize see State of the Science oral and poster sessions, Part 1, A5
Bentley MW see State of the Science oral and poster sessions, Part 2, A24
Benzisoxazoles
see *AANA Journal* Course, Part 4, 389
Benzocaine
Suspected methemoglobinemia following awake intubation: One possible effect of benzocaine topical anesthesia—A case report, 117
Benzodiazepines
Do nurse anesthetists demonstrate gender bias in treating pain? A national survey using a standardized pain model, 206
Bias
Do nurse anesthetists demonstrate gender bias in treating pain? A national survey using a standardized pain model, 206
Biddle C see Hartland W; Fritzlen T
Biography
Lamb, Helen see Imagining in Time, 93; 183
Bispectral index
Awareness under general anesthesia, 373; see State of the Science oral and poster sessions, Part 1, A11
Block PT see State of the Science oral and poster sessions, Part 2, A18
Blood pressure see State of the Science oral and poster sessions, Part 1, A12
Blood pressure monitoring
Hand ischemia associated with profound hypotension and radial artery catheterization in a pediatric patient: A case report, 41
Blouw EL, Rudolph AD, Narr BJ, Sarr MG: The frequency of respiratory failure in patients with morbid obesity undergoing gastric bypass, 45
Blumenreich GA see Legal Briefs, 89; 177; 259
Books and Multimedia of Interest
Essentials of Anaesthetic Equipment, 141; *A Practical Approach to Cardiac Anesthesia*, 196; *Atlas of Common Pain Syndromes*, 344; *Nursing, Physician Control, and the Medical Monopoly: Historical Perspectives on Gender Inequality in Roles, Rights, and Range of Practice*, 442
Brady M see State of the Science oral and poster sessions, Part 2, A23
Bupivacaine
Management of postoperative pain after T6 corpectomy: Use of epidural bupivacaine and sufentanil—A case report, 212; see State of the Science oral and poster sessions, Part 2, A26
Burke SW see State of the Science oral and poster sessions, Part 2, A21
Bushey BA see State of the Science oral and poster sessions, Part 2, A26
Butyrophenones
see *AANA Journal* Course, Part 1, 133; *AANA Journal* Course, Part 4, 389
Bypass, gastric
The frequency of respiratory failure in patients with morbid obesity undergoing gastric bypass, 45

C

Cancer
see *AANA Journal* Course, Part 6, 55; Management of postoperative pain after T6 corpectomy: Use of epidural bupivacaine and sufentanil—A case report, 212
Canine model
An evaluation of the histological effects of intra-articular methadone in the canine model, 51
Cardiac output
The use of simulation to demonstrate hemodynamic response to varying degrees of intrapulmonary shunt, 277
Cardiac tamponade
see *AANA Journal* Course, Part 6, 55
Cardiomyopathy
Anesthetic management for the placement of a fully implantable artificial replacement heart: A case report, 431
Cardiopulmonary bypass
Anesthetic management for the placement of a fully implantable artificial replacement heart: A case report, 431
Carter PJ see True CA
Catheterization, arterial
Hand ischemia associated with profound hypotension and radial artery catheterization in a pediatric patient: A case report, 41

Catheterization, pulmonary artery
Transesophageal echocardiography as an alternative for the assessment of the trauma and critical care patient, 223
Certified Registered Nurse Anesthetists
see Legal Briefs, 177; see Education News, 189; see State of the Science oral and poster sessions, Part 1, A17
Cesarean section see State of the Science oral and poster sessions, Part 1, A7, A12
Chemotherapy
see *AANA Journal* Course, Part 6, 55
Chen J see State of the Science oral and poster sessions, Part 1, A6
Cheung KCK see State of the Science oral and poster sessions, Part 2, A21
Chinese medicine
Acupuncture and pain: A review of the literature, 361
Cholecystectomy
Acute congestive heart failure after laparoscopic cholecystectomy: A case report, 17
Chronic pain
Acupuncture and pain: A review of the literature, 361
Ciceron MC see State of the Science oral and poster sessions, Part 1, A16
Chreodes, water
A theory of inhaled anesthetic action by disruption of ligand diffusion chreodes, 422
Cichewicz DL see State of the Science oral and poster sessions, Part 2, A22
Circulation
Hand ischemia associated with profound hypotension and radial artery catheterization in a pediatric patient: A case report, 41
Cisatracurium
A comparison of tubocurarine, rocuronium, and cisatracurium in the prevention and reduction of succinylcholine-induced muscle fasciculations, 23
Classification
Variability in the American Society of Anesthesiologists Physical Status Classification scale, 265
Clinical instruction
Accessing the living laboratory: Trigger films as an aid to developing, enabling, and assessing anesthesia clinical instructors, 287
Closed claims
The AANA Foundation Closed Malpractice Claims Study on nerve injuries during anesthesia care, 347
Codeine see State of the Science oral and poster sessions, Part 2, A22
Collateral circulation
Hand ischemia associated with profound hypotension and radial artery catheterization in a pediatric patient: A case report, 41
Comparison of the effects of propofol versus thiopental induction on postoperative outcomes following surgical procedures longer than 2 hours, 215
A comparison of endotracheal tube cuff pressures using estimation techniques and direct intracuff measurement, 443
Comparison of inhaled isopropyl alcohol and intravenous ondansetron for treatment of postoperative nausea, 127
A comparison of tubocurarine, rocuronium, and cisatracurium in the prevention and reduction of succinylcholine-induced muscle fasciculations, 23
Complementary medicine
Acupuncture and pain: A review of the literature, 361
Complications, anesthetic see State of the Science oral and poster sessions, Part 1, A2
Complications, obstetric
Uterine rupture in a primigravid patient and anesthetic implications: A case report, 353; Late postpartum eclampsia coincident with postdural puncture headache: A case report, 371
Complications, surgical
Acute congestive heart failure after laparoscopic cholecystectomy: A case report, 17; The frequency of respiratory failure in patients with morbid obesity undergoing gastric bypass, 45; see *AANA Journal* Course, Part 3, 299; The AANA Foundation Closed Malpractice Claims Study on nerve injuries during anesthesia care, 347; see *AANA Journal* Course, Part 4, 389
Congestive heart failure
Acute congestive heart failure after laparoscopic cholecystectomy: A case report, 17
Conscious sedation
see Legal Briefs, 257
Cook DJ see State of the Science oral and poster sessions, Part 1, A9
Coolong KJ, McGough E, Vacchiano C, Pellegrini JE: Comparison of the effects of propofol versus thiopental induction on postoperative outcomes following surgical procedures longer than 2 hours, 215
Coronary artery bypass graft see State of the Science oral and poster sessions, Part 1, A9
Corpectomy
Management of postoperative pain after T6 corpectomy: Use of epidural bupivacaine and sufentanil—A case report, 212
Corticosteroids
see *AANA Journal* Course, Part 1, 133
Cotton JW see State of the Science oral and poster sessions, Part 1, A3
Council for Public Interest in Anesthesia, Official listing of members 479
Council on Accreditation of Nurse Anesthesia Educational Programs
List of programs to be reviewed during fiscal year 2004, 65; Official listing of members, 465; Recognized educational programs, 467
Council on Certification of Nurse Anesthetists, Official listing of members, 478
Council on Recertification of Nurse Anesthetists, Official listing of members, 478
Cricoid pressure
see *AANA Journal* Course, Part 3, 299
Criste A: Do nurse anesthetists demonstrate gender bias in treating pain? A national survey using a standardized pain model, 206
Critical care
Transesophageal echocardiography as an alternative for the assessment of the trauma and critical care patient, 223
CRNAs
see Legal Briefs, 177; see Education News, 189
Cuff inflation
A comparison of endotracheal tube cuff pressures using estimation techniques and direct intracuff measurement, 443
Cuff pressure
A comparison of endotracheal tube cuff pressures using estimation techniques and direct intracuff measurement, 443

D

Dalton-Link MT see English LA

Davis DC see Books and Multimedia of Interest, 196
Defasciculation
A comparison of tubocurarine, rocuronium, and cisatracurium in the prevention and reduction of succinylcholine-induced muscle fasciculations, 23
Delta 9 THC see State of the Science oral and poster sessions, Part 2, A22
Dembo G see Ross B
Dental pain
Acupuncture and pain: A review of the literature, 361
Depth of anesthesia
Awareness under general anesthesia, 373
Devlin RJ see State of the Science oral and poster sessions, Part 2, A21
DiChiara SE see State of the Science oral and poster sessions, Part 1, A2; State of the Science oral and poster sessions, Part 2, A28
Differential diagnosis
Suspected methemoglobinemia following awake intubation: One possible effect of benzocaine topical anesthesia—A case report, 117; Late postpartum eclampsia coincident with postdural puncture headache: A case report, 371; see *AANA Journal* Course, Part 4, 389
Dildy M see State of the Science oral and poster sessions, Part 1, A6
Dimuzio NA see State of the Science oral and poster sessions, Part 2, A19
Direct blood pressure monitoring
Hand ischemia associated with profound hypotension and radial artery catheterization in a pediatric patient: A case report, 41
Doctrine of preemption
see Legal Briefs, 259
Dominguez D see State of the Science oral and poster sessions, Part 2, A31
Do nurse anesthetists demonstrate gender bias in treating pain? A national survey using a standardized pain model, 206
Dosage calculation see State of the Science oral and poster sessions, Part 1, A6
Douglas TT see State of the Science oral and poster sessions, Part 1, A9
Doyle SR see *AANA Journal* Course, Part 2, 229
Droperidol
see *AANA Journal* Course, Part 4, 389
Duration of surgery
Comparison of the effects of propofol versus thiopental induction on postoperative outcomes following surgical procedures longer than 2 hours, 215; Laryngeal mask anesthesia in children: A case report, 285

E

Echocardiography
Anaphylactoid syndrome of pregnancy: A review of the literature with latest management and outcome data, 120; Transesophageal echocardiography as an alternative for the assessment of the trauma and critical care patient, 223
Eclampsia
Late postpartum eclampsia coincident with postdural puncture headache: A case report, 371
Edema, pulmonary
Acute congestive heart failure after laparoscopic cholecystectomy: A case report, 17
Education
see Letters, 9; Council on Accreditation of Nurse Anesthesia educational programs to be reviewed during fiscal year 2004, 65; What role should education standards play in the manpower shortage [guest editorial]? 100; The use of simulation to demonstrate hemodynamic response to varying degrees of intrapulmonary shunt, 277; Accessing the living laboratory: Trigger films as an aid to developing, enabling, and assessing anesthesia clinical instructors, 287; see State of the Science oral and poster sessions, Part 1, A6
Education News
Vulnerable time periods for attrition during nurse anesthesia education, 11; Are we really mentoring our students? 105; The importance of mentoring in recruiting and retaining junior faculty, 189; Mentoring in the operating room: A student perspective, 337
Electroencephalogram
Awareness under general anesthesia, 373
Elisha S see State of the Science oral and poster sessions, Part 2, A35
Embolism, amniotic fluid
Anaphylactoid syndrome of pregnancy: A review of the literature with latest management and outcome data, 120
Emergence
Comparison of the effects of propofol versus thiopental induction on postoperative outcomes following surgical procedures longer than 2 hours, 215
Emergency airway management see State of the Science oral and poster sessions, Part 2, A33
Emetic trigger receptors see State of the Science oral and poster sessions, Part 2, A20
Employee Retirement Income Security Act
see Legal Briefs, 259
Employment
see Legal Briefs, 89
Endotracheal cuff pressure
A comparison of endotracheal tube cuff pressures using estimation techniques and direct intracuff measurement, 443
End-stage cardiomyopathy
Anesthetic management for the placement of a fully implantable artificial replacement heart: a case report, 431
Engelhardt KF see State of the Science oral and poster sessions, Part 1, A7
English LA, Maye JP, Dalton-Link MT: Hand ischemia associated with profound hypotension and radial artery catheterization in a pediatric patient: A case report, 41
Engoren M see State of the Science oral and poster sessions, Part 2, A20
Epidural analgesia and anesthesia
Management of postoperative pain after T6 corpectomy: Use of epidural bupivacaine and sufentanil—A case report, 212; Uterine rupture in a primigravid patient and anesthetic implications: A case report, 353; Late postpartum eclampsia coincident with postdural puncture headache: A case report, 371; see State of the Science oral and poster sessions, Part 1, A7; see State of the Science oral and poster sessions, Part 2, A28; see *AANA Journal* Course, Part 5, 449
Epidural blood patch
Late postpartum eclampsia coincident with postdural puncture headache: A case report, 371
Epidural catheter insertion depth see State of the Science oral and poster sessions, Part 1, A2
ERISA
see Legal Briefs, 259
Eshkevari L: Acupuncture and pain: A review of the literature, 361

Estes CM, Maye JP: Severe intraoperative hyponatremia in a patient scheduled for elective hysteroscopy: A case report, 203
Estimation techniques
A comparison of endotracheal tube cuff pressures using estimation techniques and direct intracuff measurement, 443
Etomidate see State of the Science oral and poster sessions, Part 1, A14; State of the Science oral and poster sessions, Part 2, A30
Euthanasia
An evaluation of the histological effects of intra-articular methadone in the canine model, 51
An evaluation of the histological effects of intra-articular methadone in the canine model, 51
Extracorporeal membrane oxygenation
Anaphylactoid syndrome of pregnancy: A review of the literature with latest management and outcome data, 120

F

Faculty
see Education News, 189
Faculty development
Accessing the living laboratory: Trigger films as an aid to developing, enabling, and assessing anesthesia clinical instructors, 287
Faculty qualifications
see Letters, 9
Fagerlund K see State of the Science oral and poster sessions, Part 1, A17
Fallacaro M see Hartland W
Fasciculations
A comparison of tubocurarine, rocuronium, and cisatracurium in the prevention and reduction of succinylcholine-induced muscle fasciculations, 23
Fasciitis
Anesthetic implications of necrotizing fasciitis, 37
Fasting, preoperative
see *AANA Journal* Course, Part 3, 299
Faut-Callahan M: What role should education standards play in the manpower shortage [guest editorial]? 100
Fear K see Books and Multimedia of Interest, 141
Federalism
see Legal Briefs, 259
Fentanyl see State of the Science oral and poster sessions, Part 2, A34
Fiedler MA see State of the Science oral and poster sessions, Part 1, A7
The frequency of respiratory failure in patients with morbid obesity undergoing gastric bypass, 45
Fritzlen T, Kremer M, Biddle C: The AANA Foundation Closed Malpractice Claims Study on nerve injuries during anesthesia care, 347
Fuentes S see State of the Science oral and poster sessions, Part 2, A34

G

Gabel RA see Letters, 257
Gaddis RR see State of the Science oral and poster sessions, Part 1, A14; State of the Science oral and poster sessions, Part 2, A30
Garrett N see State of the Science oral and poster sessions, Part 2, A24
Gastric bypass
The frequency of respiratory failure in patients with morbid obesity undergoing gastric bypass, 45
Gastric fluid characteristics
see *AANA Journal* Course, Part 3, 299
Gender
Do nurse anesthetists demonstrate gender bias in treating pain? A national survey using a standardized pain model, 206; see State of the Science oral and poster sessions, Part 2, A31
Gentry N see State of the Science oral and poster sessions, Part 1, A12
Giaquinto D, Swigar K, Johnson MD: Acute congestive heart failure after laparoscopic cholecystectomy: A case report, 17
Gilmore DA, Wakim J, Secrest J, Rawson R: Anaphylactoid syndrome of pregnancy: A review of the literature with latest management and outcome data, 120
Golebiewsky KA see State of the Science oral and poster sessions, Part 1, A1
Golinski M see State of the Science oral and poster sessions, Part 1, A10
Gonzalez D see State of the Science oral and poster sessions, Part 1, A11
Graham-Garcia J see Register M
Graney MJ see State of the Science oral and poster sessions, Part 1, A7
Group A streptococcal disease
Anesthetic implications of necrotizing fasciitis, 37
Guess S see State of the Science oral and poster sessions, Part 2, A20
Guest Editorial: What role should education standards play in the manpower shortage? 100
Gunning DT see State of the Science oral and poster sessions, Part 2, A31
Gynecologic procedures
Comparison of inhaled isopropyl alcohol and intravenous ondansetron for treatment of postoperative nausea, 127; see State of the Science oral and poster sessions, Part 1, A3; State of the Science oral and poster sessions, Part 2, A25

H

Haas R see Register M
Haljamäe H see Stomberg MW
Halothane see State of the Science oral and poster sessions, Part 1, A5
Hamilton JP see State of the Science oral and poster sessions, Part 2, A26
Hancock R see State of the Science oral and poster sessions, Part 2, A33
Hand ischemia associated with profound hypotension and radial artery catheterization in a pediatric patient: A case report, 41
Hand R see Education News, 105
Hand WR Jr see Jones TA
Haptic sense
A teaching tool in spinal anesthesia, 29
Hartland W, Biddle C, Fallacaro M: Accessing the living laboratory: Trigger films as an aid to developing, enabling, and assessing anesthesia clinical instructors, 287
Headache
Late postpartum eclampsia coincident with postdural puncture headache: A case report, 371
Health insurance plans, provider participation
see Legal Briefs, 259

Heart bypass see State of the Science oral and poster sessions, Part 1, A9
Heart conduction defects see State of the Science oral and poster sessions, Part 1, A9
Heart failure, congestive
Acute congestive heart failure after laparoscopic cholecystectomy: A case report, 17
Heart rate see State of the Science oral and poster sessions, Part 1, A7; State of the Science oral and poster sessions, Part 2, A21
Hebert D see Jones TA
Hemelt GM see State of the Science oral and poster sessions, Part 1, A2
Hemodynamics
Anesthetic management for the placement of a fully implantable artificial replacement heart: A case report, 431
Hemoglobin
Suspected methemoglobinemia following awake intubation: One possible effect of benzocaine topical anesthesia—A case report, 117
Henly SJ see Himes MK
Henrichs B see Books and Multimedia of Interest, 344
Herbal supplements see State of the Science oral and poster sessions, Part 1, A17
Hergenreder K see State of the Science oral and poster sessions, Part 2, A20
Hermstad K see State of the Science oral and poster sessions, Part 1, A5
Himes MK, Munyer K, Henly SJ: Parental presence during pediatric anesthetic inductions, 293
Histopathology
An evaluation of the histological effects of intra-articular methadone in the canine model, 51
Hobbs C see Barber DA
Holt KD see Pine M; see Letters, 257
Hood RJ see State of the Science oral and poster sessions, Part 1, A2, A3; State of the Science oral and poster sessions, Part 2, A26, A28
Horton BJ see Education News, 189
Houk E see State of the Science oral and poster sessions, Part 2, A34
Howie WO: Anesthetic implications of necrotizing fasciitis, 37
Huang JJ, Lauryssen C: Management of postoperative pain after T6 corpectomy: Use of epidural bupivacaine and sufentanil—A case report, 212
Hunter C see Ross B
Hyperthermia, malignant see State of the Science oral and poster sessions, Part 1, A16
Hyponatremia
Severe intraoperative hyponatremia in a patient scheduled for elective hysteroscopy: A case report, 203
Hypotension
Hand ischemia associated with profound hypotension and radial artery catheterization in a pediatric patient: A case report, 41; see State of the Science oral and poster sessions, Part 1, A13
Hypoxia see State of the Science oral and poster sessions, Part 1, A11, A14; State of the Science oral and poster sessions, Part 2, A30
Hysteroscopy
Severe intraoperative hyponatremia in a patient scheduled for elective hysteroscopy: A case report, 203

I-J

Ibuprofen see State of the Science oral and poster sessions, Part 1, A10
Ilioinguinal nerve block see State of the Science oral and poster sessions, Part 2, A26
Inhaled anesthetics
A theory of inhaled anesthetic action by disruption of ligand diffusion chreodes, 422
Imagining in Time
Helen Lamb: Some insight into her life and times—Part 1, 93; Helen Lamb: Some insight into her life and times—Part 2, 183
Implantable artificial heart
Anesthetic management for the placement of a fully implantable artificial replacement heart: A case report, 431
Index to Advertisers, 79; 168; 247; 327; 408; 503
Induction, anesthesia
Parental presence during pediatric anesthetic inductions, 293; see *AANA Journal* Course, Part 3, 299; see State of the Science oral and poster sessions, Part 1, A13, A15
Induction, labor
Uterine rupture in a primigravid patient and anesthetic implications: A case report, 353
Information for Authors, 66; 154; 235; 310; 395; 464
Inhaled isopropyl alcohol
Comparison of inhaled isopropyl alcohol and intravenous ondansetron for treatment of postoperative nausea, 127; see State of the Science oral and poster sessions, Part 1, A3
Injury
The AANA Foundation Closed Malpractice Claims Study on nerve injuries during anesthesia care, 347
Insurance, health provider participation in plan
see Legal Briefs, 259
Interrater variability
Variability in the American Society of Anesthesiologists Physical Status Classification scale, 265
Intra-abdominal pressure
Acute congestive heart failure after laparoscopic cholecystectomy: A case report, 17
Intra-aortic balloon pump
Anaphylactoid syndrome of pregnancy: A review of the literature with latest management and outcome data, 120
Intra-articular administration
An evaluation of the histological effects of intra-articular methadone in the canine model, 51
Intracuff measurement, direct
A comparison of endotracheal tube cuff pressures using estimation techniques and direct intracuff measurement, 443
Intranasal route see State of the Science oral and poster sessions, Part 2, A34
Intrapulmonary shunt
The use of simulation to demonstrate hemodynamic response to varying degrees of intrapulmonary shunt, 277
Intubation
A comparison of tubocurarine, rocuronium, and cisatracurium in the prevention and reduction of succinylcholine-induced muscle fasciculations, 23
Isopropyl alcohol, inhaled
Comparison of inhaled isopropyl alcohol and intravenous ondansetron for treatment of postoperative nausea, 127; see State of the Science oral and poster sessions, Part 1, A3
Isosulfan blue
see *AANA Journal* Course, Part 6, 55
Jacobsson MB see State of the Science oral and poster sessions, Part 1, A13
Johnson JM see State of the Science oral and poster sessions, Part 2, A24

Johnson MD see Giaquinto D
Jones TA, Hand WR Jr, Ports MD, Unger DV, Hebert D, Pellegrini JE: An evaluation of the histological effects of intra-articular methadone in the canine model, 51
Jordan LM see State of the Science oral and poster sessions, Part 1, 381; Part 2, 455

K

I certify that all information furnished on this form is true and complete. I understand that anyone who furnishes false or misleading information on this form or who omits material or information requested on the form may be subject to criminal sanctions (including fines and imprisonment) and/or civil sanctions (including civil penalties).

Instructions to Publishers

1. Complete and file one copy of this form with your postmaster annually on or before October 1. Keep a copy of the completed form for your records.
2. In cases where the stockholder or security holder is a trustee, include in items 10 and 11 the name of the person or corporation for whom the trustee is acting. Also include the names and addresses of individuals who are stockholders who own or hold 1 percent or more of the total amount of bonds, mortgages, or other securities of the publishing corporation. In item 11, if none, check the box. Use blank sheets if more space is required.
3. Be sure to furnish all circulation information called for in item 15. Free circulation must be shown in items 15d, e, and f.
4. Item 15h., Copies not Distributed, must include (1) newsstand copies originally stated on Form 3541, and returned to the publisher, (2) estimated returns from news agents, and (3), copies for office use, leftovers, spoiled, and all other copies not distributed.
5. If the publication had Periodicals authorization as a general or requester publication, this Statement of Ownership, Management, and Circulation must be published; it must be printed in any issue in October or, if the publication is not published during October, the first issue printed after October.
6. In item 16, indicate the date of the issue in which this Statement of Ownership will be published.
7. Item 17 must be signed.

Failure to file or publish a statement of ownership may lead to suspension of Periodicals authorization.
